Ames Building

Eulie:

Attached are the materials we
discussed on the phone.

They relate to the legislative history
of CIA--dated from 1944 on.

I hope they will be useful to your
staff. The classifications vary, with a
few marked TOP SECRET.

Approved For Release 2002/11/08 : CIA-RDP90-00610R000100010002-4 ILLEGIB

HS by OLC 11 Jan 82*

OLC evidently has been going through their holdings and found these documents they felt should be of use in the HS holdings.

1. Addendum to Legislative History
(Steno transcript of hearings before the Committee on Expenditures in the Executive Departments - House of Representatives - June 27, 1947 -- Addendum No. 1 to Volume 1; SECRET, 1 1/2" x 1 1/2")
2. Merger Bill II, National Security Act of 1947, (May - July 1947) CONF. About an inch thick... Congressional Records - House, hearings, statement of people involved in this bill. (See #9 below)
3. CIG enabling Act, 1947 and other papers on bill for the establishment of a Central Intelligence Agency. Mostly UNC, some CONF. (about 1")
4. Copy of the Hearings before the Committee on Expenditures in the Exec. Dept. of the House of HR 2319, the Nat. Sec. Act of 1947, UNC. (1 1/2" x 1 1/2")
5. ^{BILL} Merger/Hearing Papers (1/2")
6. Legislative History..Working file- JMC (a good 2 1/2" x 3 1/2")
7. CIA ENABLING ACT - 1948 (Secret) (1/2")
8. Genesis of Intelligence, OSS, SSU, etc. World War II. James B. Donovan Pres. Direc. Estab. NIA
9. Another Merger Bill, National Sec. Act of 1947 (see #2 above)
10. Colby's statement to the House Select Committee on Intell. at hearings related to Vietnam, 3 Dec 1975...also additional statement amplifying remarks made by Colby...copies of agency documents, and extracts from Agency docs that relate to the Director's testimony which have been declassified. (The Samuel Adams case)

* Plus 10 other entries sent to the HS in May 1982, all noted on attached listing.

COLLECTION OF DOCUMENTS SENT TO

SECRET

HS by OLC 11 Jan 82*

OLC evidently has been going through their holdings and found these documents they felt should be of use in the HS holdings.

1. Addendum to Legislative History
(Steno transcript of Hearings before the Committee on Expenditures in the Executive Departments - House of Representatives - June 27, 1947 -- Addendum No. 1 to Volume 1; SECRET, 172 pps)
2. Merger Bill 11, National Security Act of 1947, (May - July 1947) CONF. About an inch thick... Congressional Records - House, hearings, statements of people involved in this bill. (See #9 below)
3. CIG enabling Act, 1947 and other papers on the proposed bill for the establishment of a Central Intelligence Agency. Mostly UNC, some CONF. (about 1")
4. Copy of the Hearings before the Committee on Expenditures in the Exec. Dept. of the House on HR 2319, the Nat. Sec. Act of 1947, UNC. *also secreted*
5. ^{BILL} Merger/Hearing Papers (1/2")
6. Legislative History..Working file- JMC (a good 2 1/2")
7. CIA ENABLING ACT - 1948 (Secret) (1/2")
8. Genesis of Intelligence, OSS, SSU, etc. World War II, James B. Donovan Pres. Direc. Estab. NIA
9. Another Merger Bill, National Sec. Act of 1947 (see #2 above)
10. Colby's statement to the House Select Committee on Intell. at hearings related to Vietnam, 3 Dec 1975..also additional statement amplifying remarks made by Colby...copies of agency documents, and extracts from Agency docs that relate to the Director's testimony which have been declassified. (The Samuel Adams case)

* Plus 10 other entries sent to the HS in May 1982, all noted on attached listing.

DECL OADR

SECRET

NOTE: Many documents have notation, "only xerox first & last page m"

25X1

25X1

11. Statement of Lt. Gen. Hoyt S. Vandenberg to Armed Services Committee of Senate re S. 768, "The National Security Act of 1947."
12. Presidential Directive (H.S. Truman on NIA & CIG, 22 Jan 1946.
13. Developments of Central Intelligence ILLEGIB (Penrose papers...that evidently were influential in phrasing the directive of 22 Jan 1946.)

The Donovan Plan for estab. of CIA

Many memos and letters from leading govt. officials re studies, committees, problems, plans and modifications relating to the NIA.

The Presidential Directive of Jan 1946.

Several different charts, etc., as to how the NIA and CIA should look

14. Legislative History - Misc. Material -- Congressional Record -- Senate & House minutes of record re Administration of CIA
15. Hearing on nomination of Lt. Gen. Walter B. Smith to be Director of CIA Aug 24, 1950
16. Portions of the National Security Act of 1947
17. Letters from Hillenkoetter to many members of the Senate and the House for their interest and assistance in securing the passage of the bill for CIA. Also...many press and wire clips of the passage of HR 2663 CIA LEGISLATION, 81st Congress.
18. Material for Chapter X of the Leg. History on the Act for 1947.
19. A package of documents noted as National Security Act - Bills...(possibly to be included with 18 above.)

SECRET

20. A section marked "3"...presumably the Background portion of Chapter III.
21. Various pages from the National Defense Establishment publication
22. Package of documents dealing with legislative matters to be taken up with Congress on ~~the~~ various issues -- laws and amendments, etc.
23. Statement of the Director of CIA before the House Armed Services Committee - 8 Apr 1948... (drafts of statement and also Congressional Record of same.
24. Copies of Congressional Records -- all dealing with various sections of the administration of CIA and the Nat. Sec. Bills. This section could probably be added to # 4. above.

MY NOTE TO BERTIE -- it would be nice if we could get a copy of this history for our files...should this be impossible or impractical...believe we should find out where the original is, and make a note to be included in a folder with the Table of Contents that was ~~included~~ in this collection; also...list this on our "List of Histories", with author, date, etc., for future ref.

25. Content pages... (2 copies)
In most cases, ~~from~~ first and last pages of each Chapter have been copied; A name index, a subject index and footnote pages beginning with #99 - 154.
